## Residential Program

The residential program is a 28 day treatment offered to clients aged 16 and older who are experiencing substance misuse and/or concurrent disorders.

Services include individual & group counselling, educational sessions, interactive workshops, peer support, life skills training and discharge planning/preparation for reintegration to home and family, school/work/life, and/or referral to longer-term treatment.

## Safe Bed Program

The safe bed program is a short term crisis support service which includes supportive housing, case management, court support and withdrawal management. This service is offered to clients aged sixteen and older who are developing unstable addictions, concurrent disorders, mental health symptoms who may have also come into conflict with the law.

## Clinical Services

Our center is equipped with medical staff in order to ensure all of your medical needs are met.

We provide psychiatric consultations with limited availability. Our centre is also a Ontario Telemedicine Site able to host patients with nursing support and peripherals.

## Admission

The admissions process for the Safe Bed and Residential Program at the Jubilee Centre is easy and convenient.
